About Me

Dynamic Frontend Developer with extensive experience in creating engaging, user-friendly interfaces using Angular and TypeScript. Skilled in responsive design and cross-browser compatibility, with a keen eye for detail. Proven track record in project management and collaborative teamwork. Passionate about leveraging technology to enhance user experience and drive business success.

Work Experience

Frontend developer

IT Academy Barcelona Activa - March 2023 to Present

Ita Challenges (October 2023 - Present)
- Actively collaborating with the front-end development team at IT Academy de Barcelona Activa.
- Focusing on enhancing user interaction and ease of use through innovative Angular features.
- Ongoing efforts are leading to increased user satisfaction and a noticeable rise in daily application usage.
- Collaborating closely with the JAVA backend team and employing Scrum methodology for project management and efficiency.

PeeMap (March 2023 - October 2023) github   Vercel
- Originated and Developed 'PeeMap' Web Application:
- Solely conceptualized and developed 'PeeMap', an Angular-based application for finding public toilets in Barcelona.
- Hosted the application on Vercel, showcasing its readiness for public access.
- Demonstrated expertise in Angular and Mapbox integration, leading to a user-friendly interface.
- The project, entirely my initiative, is poised to significantly enhance public accessibility and convenience upon broader release.

Previous Experience

Booking.com, Barcelona:
- Partner Service Coordinator (June2022 - October 2022)
- Senior Ops and Support Executive (Mar 2019 - May 2022)
- Customer Service Advisor (Feb 2018 - Mar 2019)

Hotel and Travel Industry:
- Travel Consultant - OUIsncf (Oct 2015 - Dic 2017)
- Flight attendant - Vueling Airlines (Jun 2014 - Jun 2015)
- Hotel Receptionist - In various hotels and cities.
